12:00+ pm **GUIDED TOURS OF THE NEW RONALD REAGAN UCLA MEDICAL CENTER**

Tours will be conducted following lunch. Groups will depart from the Neuroscience Research Building at regular (5 or 10 minute) intervals and proceed on foot less than two blocks to the new Medical Center. Tours require approximately one hour of walking.

Advance registration (\$30; student registration is free) is required and includes all lectures, coffee breaks, Friday and Saturday lunches, library reception, and the Medical Center tour.

Print, complete and return the Registration Form at: aohucla.wordpress.com
 or call: 1-310-825-6940 or e-mail: tj@library.ucla.edu

Map and Directions

From the 405 Freeway:

Exit at **Wilshire Blvd. East**

Continue east past Westwood Blvd for **6 more blocks**, then turn left (north) onto **Westholme Avenue**

Proceed to the top of the hill; cross Hilgard Avenue and enter campus
Pay at the **Parking Information Kiosk** ("i" on the map) on your right
Park in **Parking Lot 2** ("P2" on the map)

Exit Parking Lot 2 on foot:

Turn left onto **Charles E. Young Drive East**

At the Manning Avenue intersection, you must **cross to the opposite side** of Young Drive due to construction of the new Biology building

After crossing Young Drive, turn left and continue walking; the road will curve to the right, pass a Stop sign (Tiverton Drive), and proceed downhill as it becomes **Charles E. Young Drive South**

The **Neuroscience Research Building** will be on your right; signs will direct you inside to **Auditorium 132**

Acknowledgments

Program Chairs: Dora B. Weiner, Marcia L. Meldrum and Katharine E.S. Donahue.

The primary sponsor for this conference is the Department of Neurobiology, David Geffen School of Medicine at UCLA, with special thanks to Professor Marie-Françoise Chesselet, Chair. Further special thanks to the Southern California Colloquium in the History of Science, Medicine and Technology and Professor Margaret Jacob.

Additional support is gratefully acknowledged from these units at UCLA: History and Special Collections, Louise M. Darling Biomedical Library; David Geffen School of Medicine; School of Nursing; School of Public Health; Department of History; and Department of Psychiatry & Biobehavioral Sciences. Thanks also for assistance from Cherry Dunham Williams, Russell A. Johnson, and Teresa G. Johnson.
